---

Dear Mr Stephenson,

Thank you for your application to vary a condition at The King's Arms in Shouldham. I am emailing you in regards to the location plan submitted. As this is an application to vary a condition, a location plan is not required and therefore I have disregarded the location plan as part of this application. As it stands the only thing outstanding is the fee which for a variation of condition is £234. See the sent invalid letter for ways that you can pay.

Kind Regards,

**Luke BArch (Hons), Technical Support Officer**
