

To whom it may concern,

I am writing to express my support of a planning application for the conversion of one of the farm buildings located at:

Brookhall Farm
Long Lane
Aston End
Nr Stevenage
Herts
SG2 7HE

I have lived at Aston End since 1981, firstly at Poplar Farm and from 1990 at Gundrylls Tatlers Lane, which is across the road from Poplar Farm. [REDACTED] farmed here over four generations having bought the farm in approximately 1894. Prior to this the Clark's actually owned and farmed Brookhall Farm, barely a quarter of a mile away.

In all the time that I have lived at Aston End the land has been used to graze cattle and sheep as well as making hay in the summer. The farm buildings, including the large barn, have been used to house cattle and later housing sheep when lambing. In addition, the barn has been used to store the baled hay, farm equipment, gates, fencing etc.

To confirm, I fully support this application.

Yours faithfully, [REDACTED]

Janet Clark
