Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

The retention of the mobile classroom is required for further period of five years, until 31 August 2028. The reasons for this outlined in a Justification of Need letter from Cambridgeshire County Council, accompanying this submission. All permanent classrooms at the school are currently in use, meaning that an additional mobile classroom is required for the school to be able to provide before- and after-school capacity. Paragraph 95 of the NPPF emphasises that the government places importance upon ensuring that a sufficient choice of school places are available to meet the needs of existing and new communities, and Local Authorities should take a positive and proactive approach in achieving this. The application for the retention of a modular classroom building on a temporary basis accords with the NPPF.

If you wish the existing condition to be changed, please state how you wish the condition to be varied

To change the wording of condition 1 to: "Time Limit for one 4-Bay Mobile Classroom Building - This permission shall be for a temporary period only and shall expire on 31st August 2028, and the 4 bay mobile classroom hereby permitted shall be limited for a time period and shall be removed from the site by 31st August 2028 and the land shall be restored to its former condition."
