Amend the description of the permission to: "Erection of a 4 bay temporary mobile classroom for a temporary period."
Please state why you wish to make this amendment
The proposal would allow the retention of the mobile classroom unit for a further 5 years. The need for the mobile classroom is outlined in a Justification of Need letter from Cambridgeshire County Council, accompanying this submission. Paragraph 95 of the NPPF emphasises that the government places importance upon ensuring that a sufficient choice of school places are available to meet the needs of existing and new communities. The NPPF also states that Local Authorities should take a positive and proactive approach in achieving this. Taking this into consideration, the application for the retention of a modular classroom building on a temporary basis accords with the NPPF and supports the aims of paragraph 95 of the NPPF.
