Details of the pre-application advice received

Response received, summarised as follows -

- It is not considered the proposals could be pursued under permitted development rights, a full planning permission should be sought.
- It is not considered that the proposal would be substantially harmful to the character and appearance of the property within the street scene.
- An additional bedroom would result in a 4-bedroom property which in accordance with the Councils Parking Standards SPD (2022) requires a total of 3 parking spaces within the plot compared to 2.5 for a 3-bedroom unit, additional information would be required.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
