The Town and Country Planning (General Permitted Development) Order 2015 refers to permitted development rights for a range of
development not requiring planning permission. I have considered the content of your enquiry and conclude that planning permission is
required for the proposed development.

With regards to your proposed change of use from a cold food daytime takeaway to hot food evening takeaway, Schedule 2, Part 3 of the General Permitted Development Order 2015 (as amended) does not include a change of use under permitted development as hot food comes under Class Sui Generis. Therefore, planning permission will be required from Northumberland County Council.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

(a) a member of staff

(b) an elected member

(c) related to a member of staff

(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
