RE: The Old Stable Block, Pinglestone Farm, Old Alresford, Hampshire SO24 9TB

We, Roger and Lyndia Smith of Broom Copse Farm will say as follows:

I can confirm that we lived at The Old Stable Block from 2009 to 2017 and after that our son Kirt and Clare Smith lived there.

We used the garden to the south and west of the property and we also parked our cars to the east of the property on the gravel area, this is a separate area from the working farm and safer.

We can confirm that we paid council tax for the whole period that we lived at The Old Stable Block.

Our other son Luke Smith also lived with us he also used the garden and parked his van on the gravel area to the east of the building

We believe that the facts stated in this witness statement are true, we understand that proceedings for contempt of court may be brought against anyone who makes, or causes to be made, a false statement in a document verified by a statement of truth without an honest belief in its truth.
