The new Finished Floor Level of the dwelling

General Notes

is to be set at minimum of 150mm above existing ground levels.

• Project to be in full accordance with approved

1. This drawing shall not be scaled, figured dimensions only to be used.

2. All dimensions are shown in 'mm' unless otherwise stated.

3. The contractor, sub-contractors and suppliers must verify all dimensions on site prior to the commencement of any work. 4. This drawing is to be read in conjunction with all relevant engineers

and specialist sub-contractors drawings and specifications. 5. Any discrepancies are to be brought to the designers attention.

 All structural elements are to be designed by clients structural engineer where required.

All dimensions are to brick openings/courses.

 All kitchens are shown indicatively and are to be detailed separately in conjunction with

Electrical positions and sizes are indicative only and are to be designed by clients Mechanical & Electrical contractor ensuring

client's kitchen manufacturer.

furniture layouts can be achieved.

Fire detection added to garage
