Dear Applicant ,

I hope this email finds you well.

The Planning Officer has now looked at your proposal and has suggested an amendment to the description. Please confirm whether the building you wish to change the use for is classed as garage or an annexe? We suggest changing the description accordingly to "Change of use from annexe or garage to short term holiday lets (2 persons)."

Please confirm if you agree to make those changes.

I am looking forward to hearing from you soon

Kind regards
