Declaration: I have checked all details on this page carefully. I understand the legal importance of ensuring that the written Agreement accurately records everything which I want Everest to provide and that Everest will rely entirely on this. I confirm that the above products are precisely as specified by me during my sales consultation (OR as varied by me from those specified during my sales consultation, in discussion with the Surveyor) and agree the product specification and installation details set out above and on the continued attached pages of this Surveyor Visit Report. I agree to pay the Everest installers the balance outstanding (or sign a Completion Certificate if settlement is by Everest Home Solutions) on the final day of installation.
