

Ecology Checklist

Are the following within the specified distance to the red line boundary? Are they affected or unaffected by the proposal?	Yes - affected by proposal	Yes - unaffected by proposal	No
1. Buildings and features			
Agricultural buildings (e.g. farmhouses and barns) within 200m			X
A building over 15 years old (to be demolished) within 200m			X
A pre-1960 building (in or within 200m of woodland) within 200m		X	
A pre-1914 building (in or within 400m of woodland) within 200m		X	
Underground structures (such as cellars or tunnels) within 200m			X
Bridge structures, aqueducts or viaducts within 200m			X
Clay or slate roof tiles, hanging tiles or timber weather boarding		X	
Loft space, including gables within 200m		X	
2. Trees and Hedges (see section 6 Additional guidance on Trees and Hedges for guidance)			
Trees with a girth of 125cm or greater within 15m of the proposal (including offsite and access)			X
Trees with a girth of 25cm or greater within 10m of the proposal (including offsite and access)			X
Hedgerows on or within 5m of the site			X
3. Habitats (see section 7 Additional guidance on Habitats for guidance)			
Special Protection Area or Special Area of Conservation within 2km			X
Site of Special Scientific Interest (SSSI) within 500m			X
Ancient Semi-Natural Woodland (ASNW) within 100m			X
Local Wildlife or Biological Notification Site on or adjacent to site			X
Designated Priority habitat on or adjacent to site			X
Meadows or unmanaged scrub, woodland, grassland, heathland or wetland within site			X
Ponds within 250m			X
Rivers, streams or water filled ditches within 10m		X	
Have any of the following species been known to use the red line site? (see section 8 Additional guidance on Known Wildlife for guidance)		Known to	Not known to
Nesting birds			X
Bats			X
Badgers			X
Dormice			X
Great Crested Newts			X
Reptiles			X
Otters			X
Water Voles			X
White-clawed Crayfish			X
