Gutter to be fixed with Rise and Fall Brackets at max 915mm c/c. 63mmØ downpipe.

Materiality - PVCu in colour to match existing.

Photo of Existing Rainwater Goods

Stone Wall Construction

To the right is a photo of the sample 'panel'. This was constructed 3 years ago by the same builder. The same method and materials for the proposed rear extension are to be used to achieve consistency in appearance, with mortar colour and texture, with the mortar slightly recessed as shown.
