

New Solar Panels to Roof of Garage
23/03/2023

Use

The property is a detached garage with passage to side/rear garden of a listed dwelling.

Scale

The proposed works dont add any size/mass to the dwelling

Landscaping

The existing mature landscaping will remain untouched

Appearance

Materials will be matching where possible.

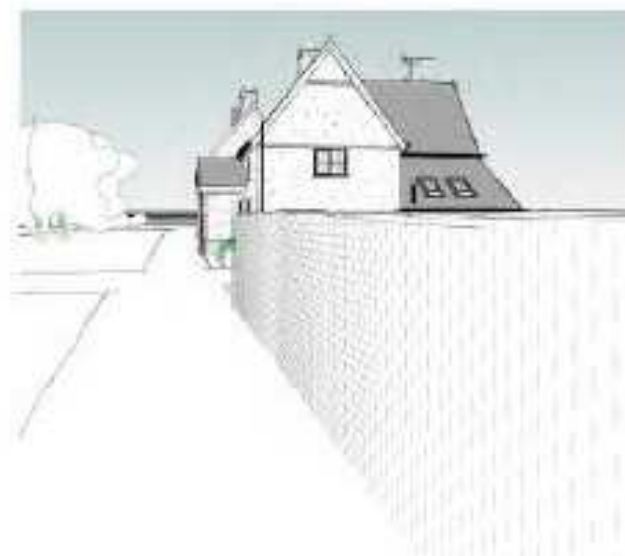

The proposed alterations are designed to cause as little visual harm as possible to the main street scene and listed properties .

Access

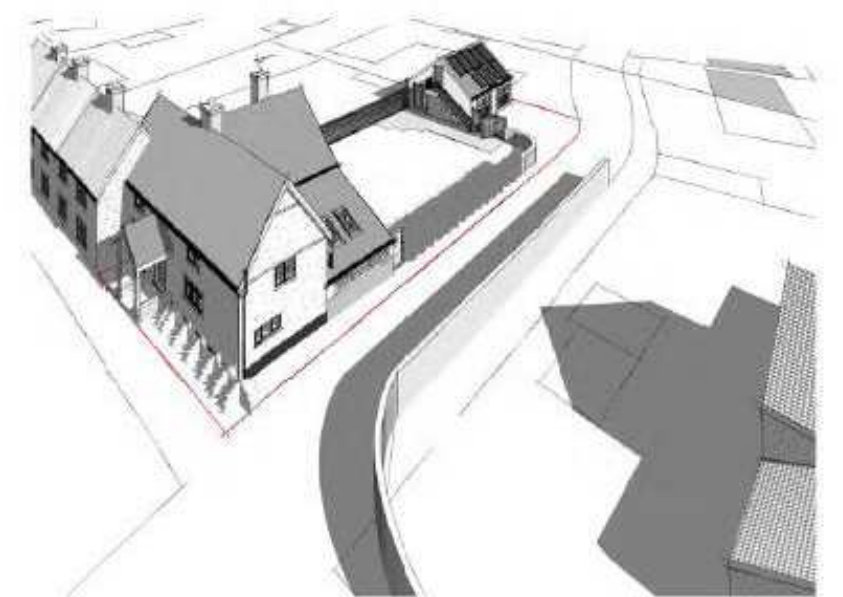

The second access is via a side gate leading to the garden.
