**Section B:**

Mid Suffolk District Council as Local Planning Authority, hereby give notice that **OUTLINE PLANNING PERMISSION HAS BEEN GRANTED** in accordance with the application particulars and plans listed in section A subject to the following conditions:

1. ACTION REQUIRED IN ACCORDANCE WITH A SPECIFIC TIMETABLE: TIME LIMIT FOR RESERVED MATTERS APPLICATION

Application for approval of reserved matters must be made not later than the expiration of three years beginning with the date of this permission, and the development must be begun not later than the expiration of two years from the final approval of the reserved matters or, in the case of approval on different dates the final approval of the last such matter to be approved.

Reason - Required to be imposed pursuant to Section 92 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004

2. ACTION REQUIRED PRIOR TO COMMENCEMENT OF WORKS: PRE-COMMENCEMENT CONDITION: APPROVAL OF RESERVED MATTERS

Before any development is commenced, approval of the details of the appearance and scale of the building(s), and the landscaping of the site (hereinafter called "the reserved matters") shall be obtained in writing from the Local Planning Authority.

Reason - To enable the Local Planning Authority to secure an orderly and well designed development in accordance with the character and appearance of the neighbourhood and in accordance with the Development Plan. This condition is required to be agreed prior to the commencement of any development in accordance with proper planning principles to allow public engagement on the outstanding reserved matters and ensure no significant adverse harm results.

3. APPROVED PLANS & DOCUMENTS

The development hereby permitted shall be carried out in accordance with the drawings/documents listed under Section A above and/or such other drawings/documents as may be approved by the Local Planning Authority in writing pursuant to other conditions of this permission or such drawings/documents as may subsequently be approved in writing by the Local Planning Authority as a non material amendment following an application in that regard.

Reason - For the avoidance of doubt and in the interests of proper planning of the development.

4. ACTION REQUIRED IN ACCORDANCE WITH A SPECIFIC TIMETABLE: AGREEMENT OF MATERIALS

No development/works shall be commenced above slab level until precise details of the manufacturer and types and colours of the external facing and roofing materials to be used in construction have been submitted to and approved, in writing, by the Local Planning Authority. Such materials as may be agreed shall be those used in the development and fully applied prior to the first use/occupation.

Reason - To secure an orderly and well designed finish sympathetic to the character of the existing building(s) and in the interests of visual amenity and the character and appearance of the area.

5. ACTION REQUIRED PRIOR TO THE FIRST OCCUPATION OF DEVELOPMENT:  
DETAILS OF SCREEN WALLS AND FENCES

Prior to the first occupation of the development precise details of the provision, siting, design and materials of all screen walls and fences shall have been submitted to and approved, in writing, by the Local Planning Authority. The screen walls and fences as may be approved shall be erected prior to the dwelling/s to which they relate being first occupied and thereafter be retained in the approved form.

Reason - In the interests of visual amenity and the character and appearance of the area.

6. SPECIFIC RESTRICTION ON DEVELOPMENT: REMOVAL OF PERMITTED  
DEVELOPMENT RIGHTS

Notwithstanding Section 55 (2)(a)(ii) of the Town and Country Planning Act 1990 as amended and the provisions of Article 3, Schedule 2 Part 1 Classes A to E and H and Part 2 Class A of the Town and Country Planning (General Permitted Development) Order 2015, (or any Order revoking and re-enacting that Order with or without modification):- - no enlargement, improvement, insertion of new openings or other alteration of the dwelling house(s) shall be carried out, - no garage, car port, fence, gate, wall or any other means of enclosure, building or structure shall be erected, except pursuant to the grant of planning permission on an application made in that regard.

Reason - To enable the Local Planning Authority to retain control over the development in the interests of the amenity of the locality and to safeguard local distinctiveness.

7. ACTION REQUIRED PRIOR TO FIRST USE OF ACCESS: HIGHWAYS - PROVISION  
OF VISIBILITY SPLAYS

Before the access is first used visibility splays shall be provided as shown on Drawing No. 445-01 Rev. C with an X dimension of 2.4m and a Y dimension of 43m and thereafter retained in the specified form.

Notwithstanding the provisions of Part 2 Class A of the Town & Country Planning (General Permitted Development)(England) Order 2015 (or any Order revoking and re-enacting that Order with or without modification) no obstruction over 0.6 metres high shall be erected, constructed, planted or permitted to grow within the areas of the visibility splays.

Reason - To ensure vehicles exiting the drive would have sufficient visibility to enter the public highway safely and vehicles on the public highway would have sufficient warning of a vehicle emerging in order to take avoiding action.

8. ACTION REQUIRED IN ACCORDANCE WITH A SPECIFIC TIMETABLE AND ON  
GOING REQUIREMENT OF DEVELOPMENT: HIGHWAYS - ACCESS LAYOUT

No other part of the development hereby permitted shall be commenced until the existing vehicular access has been improved, laid out and completed in all respects in accordance with DM01 and with an entrance width of 4.5m . Thereafter the access shall be retained in the specified form.

Reason - In the interests of highway safety to ensure that the layout of the access is properly designed, constructed and provided before the development is commenced.

9. ON GOING REQUIREMENT FOR DEVELOPMENT: REFUSE BINS AND COLLECTION AREAS

The area/s to be provided for storage of Refuse/Recycling bins as shown on the approved drawings shall be provided in its entirety before the development hereby approved is brought into first use/occupation and shall be retained thereafter for no other purpose.

Reason: To ensure that refuse recycling bins are not stored on the highway causing obstruction and dangers for other users.

10. ACTION REQUIRED IN ACCORDANCE WITH A SPECIFIC TIMETABLE - SURFACE WATER DISCHARGE DETAILS

Before the development is commenced details shall be submitted to and approved in writing by the Local Planning Authority showing the means to prevent the discharge of surface water from the development onto the highway. The approved scheme shall be carried out in its entirety before the access is first used and shall be retained thereafter in its approved form.

Reason - To prevent hazards caused by flowing water or ice on the highway.

NB. The Aco drainage channel is perfectly acceptable however, this must be shown to be connected to a soakaway as an annotation isn't enough evidence. The soakaway must also be 5m from the highway for maintenance reasons.

11. ACTION REQUIRED PRIOR TO USE/OCCUPATION - HIGHWAYS: PROVISION OF PARKING.

The use/building/s shall not be occupied/commenced until the area within the site shown on Drawings listed under Section A for the purposes of loading, unloading, manoeuvring and parking (including garage spaces as applicable) of vehicles has been provided and made functionally available. Thereafter that area/s shall be retained and remain free of obstruction except for the purpose of manoeuvring and parking of vehicles.

Reason - To ensure the provision of adequate on-site space for the parking and manoeuvring of vehicles where on-street parking and manoeuvring would otherwise be detrimental to highway safety.

12. SPECIFIC RESTRICTION ON DEVELOPMENT: LIMIT ON NUMBER OF STOREYS

The dwelling/s shall be of a single storey design only with living accommodation on the one ground floor.

Reason - In order to secure a design in scale with development surrounding the site so as to protect the visual amenities and character of the area and to safeguard local distinctiveness.

**NOTES:**

1. **Statement of positive and proactive working in line with the National Planning Policy Framework (NPPF)**

The proposal has been assessed with regard to adopted development plan policies, the National Planning Policy Framework and all other material considerations. The NPPF encourages a positive and proactive approach to decision taking, delivery of sustainable development, achievement of high quality development and working proactively to secure developments that improve the economic, social and environmental conditions of the area. In this case the applicant took advantage of the Council's pre-application service prior to making the application. The opportunity to discuss a proposal prior to making an application allows potential issues to be raised and addressed pro-actively at an early stage, potentially allowing the Council to make a favourable determination for a greater proportion of applications than if no such service was available.

2. It is an OFFENCE to carry out works within the public highway, which includes a Public Right of Way, without the permission of the Highway Authority.

Any conditions which involve work within the limits of the public highway do not give the applicant permission to carry them out. These works will need to be applied for and agreed with Suffolk County Council as the Local Highway Authority. Application form for minor works licence under Section 278 of the Highways Act 1980 can be found at the following webpage:

## **Important Notes to be read in conjunction with your Decision Notice**

### **Please read carefully**

This decision notice refers only to the decision made by the Local Planning Authority under the Town and Country Planning Acts and DOES NOT include any other consent or approval required under enactment, bylaw, order or regulation.

**Please note: depending upon what conditions have been attached to the decision, action may be required on your part before you can begin your development.** Planning conditions usually require that you write to the Local Planning Authority and obtain confirmation that you have discharged your obligations. You should read your decision notice in detail and make a note of the requirements placed on you by any conditions. **If you proceed with your development without complying with these conditions you may invalidate your permission and put your development at risk.**

### **Discharging your obligations under a condition:**

You should formally apply to discharge your conditions and the relevant application forms are available on the Council's website. The Local Planning Authority has 8 weeks to write to you after you submit the details to discharge your conditions. You should always account for this time in your schedule as the Local Planning Authority cannot guarantee that conditions can be discharged quicker than this. A fee is applicable for the discharge of planning conditions.

### **Building Control:**

You are reminded that the carrying out of building works requires approval under the Building Regulations in many cases as well as a grant of planning permission. If you are in doubt as to whether or not the work, the subject of this planning permission, requires such approval, then you are invited to contact the Building Control Section of Babergh and Mid Suffolk District Councils.

## Appeals to the Secretary of State

1. If the applicant is aggrieved by the decision of the Local Planning Authority to refuse permission or consent, or to grant permission or consent subject to condition, they may appeal to the Secretary of State for Communities and Local Government. The applicant's right of appeal is in accordance with the appropriate statutory provisions which follow:

Planning Applications: Section 78 Town and Country Planning Act 1990

Listed Building Applications: Section 20 Planning (Listed Buildings and Conservation Areas) Act 1990

Advertisement Applications: Section 78 Town and Country Planning Act 1990  
Regulation 15

Town and Country Planning (Control of Advertisements) Regulations 2007

Notice of appeal in the case of applications for advertisement consent must be served within eight weeks of receipt of this notice. Notice of Householder and Minor Commercial Appeals must be served within 12 weeks, in all other cases, notice of appeal must be served within six months of this notice. If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice. If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within six months of the date of this notice, whichever period expires earlier.

Appeals must be made on a form which is obtainable from The Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN or online at <https://www.gov.uk/government/publications/modelnotification-notice-to-be-sent-to-an-applicant-when-permission-is-refused>

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he/she will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him/her that permission for the proposed development could not have been granted by the Local Planning Authority, or could not have been so granted otherwise than subject to the conditions imposed by it, having regard to the statutory requirements\*, to the provisions of the Development Order, and to any directions given under the Order. The Secretary of State does not in practice refuse to entertain appeals solely because the decision of the Local Planning Authority was based on a direction given by him/her.

2. If permission or consent to develop land or carry out works is refused or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State and the owner of the land claims that the land has become incapable of reasonable beneficial use by the carrying out of any development or works which has been or would be permitted they may serve on the Council of the district in which the land is situated, a purchase notice requiring the Council to purchase his interest in the land in accordance with the provisions of Section 137 of the Town and Country Planning Act 1990 or Section 32 Planning (Listed Buildings and Conservation Areas) Act 1990.

\*The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70 and 72(1) of the Act.
