Details of the pre-application advice received

"The proposed development would not appear characteristic of the existing dwelling house, nor the surrounding area, and is considered to be of poor-quality design. The development appears disjointed, resulting in unsympathetic additions to the host dwelling. The first-floor flat roof is considered to be visually undesirable, as are the extensions from a front facing and rear facing view. Therefore, the development fails to comply with policies HOU11 and DES4 of the East Herts District Plan 2018"

The proposal has been revised to comply with HOU11, to avoid any flat roofs not on the ground floor. Following feedback from the planner, the design has been improved by highlighting the subservience of the extension and adding windows to the front elevation to add interest to comply with SES4

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- No
