Afternoon

Please note the following regarding to materials and attached photo.

Further to the decision to allow the wall to be built, the materials being used are:

Bricks: mardale antiques

Mortar: 5:1 ratio mix using white cement and building sand

Coping: Brick on edge using mardale antiques

We have done a small wall next to the existing as you can see this is as good as a direct match. (Note house wall on left dusty after cutting concrete to allow a foundation to be put in).

Unless we here otherwise we will proceed with building the wall.

Kind Regards
