Details of the pre-application advice received

Quoted from letter dated 21/10/22 Jennifer Wallis:

'Located on the western roof slope of the dwelling the rooflights would not be overly prominent or visible from the public realm. As such, subject to the size of the openings respecting the character of the existing dwelling, I have no real concerns over the impact of the proposed velux windows on the character and appearance of the property or surrounding area.'

'Due to the location and nature of the openings proposed it would appear that the proposal could be accommodated without having any undue harm to the residential amenity of neighbouring properties. However, I would advise that the velux windows are set at a height above 1.7m so as to prevent any direct overlooking of the properties garden to the west.' QUERY: Height of proposed windows with regard to building regulations is 1.1m!

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
