Thank you for the response concerning our application.

our property is included in the Long Stratton Conservation area, more specifically - East Side from Jubilee House to Maltings House & Ling Cottage (according to the Long Stratton Charter) www.southnorfolkandbroadland.gov.uk/conservation-areas-south-norfolk
I have also included a map highlighting our property.

Also attached are pictures of the complete rear of our property showing all the windows and doors, the windows being changed are all 6 on the top floor and the 2 small ones in the bottom right.

the company that have provided the specs. and will be making and installing the windows is Broadland Windows www.broadlandwindows.co.uk

I hope this is sufficient, but please contact me if further information is required

many thanks
