Location: The Close Aston Lane Sharnford Leicestershire

Thank you for consulting me with regard to this planning application Discharge of conditions 5 (landscaping) and 7 (surface water and foul drainage details) attached to planning permission 20/1081/FUL

Drainage

I have reviewed the information provided and other than seeing that there is a reference to an 'existing drain and junction chamber' it is not clear what is happening with regard to foul and surface water drainage.

More information is needed before I can discharge this condition.

Kind regards
