Good Morning

Thank you for your email.

I have received the location plan.

If sign two is not applicable to this application, you will need to remove all reference to it on the plans, or it will cause confusion for consultees and members of the public.

Please send through amended plan referring only to the sign relating to this application.

Kind Regards

**Lesley Raby, Technical Support Officer**

Good Morning Lesley,

In regard to the attached invalid letter;

1. The location plan has been sent on the previous email - I've attached just in case.
2. Yes that is correct, there is only going to be one sign on this application due to the site layout. Please ignore 'sign 2' on Plan 452-02.

Hope this helps, let me know if you require any additional information.

Many Thanks,

Sterling Sewter
