Is the proposed development reasonably necessary for the purposes of agriculture?

Yes

No

If yes, please explain why

The building is required to provide suitable storage for grain in line with current grain storage standards.

Is the proposed development designed for the purposes of agriculture?

- Yes  
 No

If yes, please explain why

The building will be of steel portal frame construction, clad in sheet cement and steel materials with lower walls constructed in precast concrete panels. The portal frame allows for free plan inside the building, no requirement for internal support posts. The frame and envelope materials allow for rapid and relatively economical construction. The materials are easy to clean, relatively low maintenance and are commonplace in the construction of modern agricultural buildings.

Does the proposed development involve any alteration to a dwelling?

- Yes  
 No

Is the proposed development more than 25 metres from a metalled part of a trunk or classified road?

- Yes  
 No

What is the height of the proposed development?

7.5

Metres

Is the proposed development within 3 kilometres of an aerodrome?

- Yes  
 No

Would the proposed development affect an ancient monument, archaeological site or listed building or would it be within a Site of Special Scientific Interest or a local nature reserve?

- Yes  
 No

## Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- Yes  
 No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- The agent  
 The applicant  
 Other person
