Description of the Proposal
Please note in regard to:
 Fire Statements - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. View government planning guidance on fire statements or access the fire statement template and guidance. Permission In Principle - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below. Public Service Infrastructure - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or view government planning guidance on determination periods.
Description
Please describe details of the proposed development or works including any change of use
We are looking at change of use on a previously used grazing field and use it for an overflow parking as and when the pub main car park is full. The current pub car park was grazing field and was changed under planning before as well. We are proposing to fully hedge the new proposed perimeter with Hawthorn to match in with the species which currently edge the existing car park.
Has the work or change of use already started?
