Dear North Area Team

Application to construct front porch extension

I have submitted an application to construct a new front porch extension. This will match the one which already exists on my neighbours property 3 Addycombe Crescent. I have provided the proposed bricks, roof tile and door types all of which would match the existing.

I have also included a location plan and combined site plan with the existing and proposed floor plans and elevations. This is at a scale of 1:100 at A1, or 1:150 at A2.

Please see photos below of my property and that of my neighbours.

Fig 1 – My property 5 Addycombe Crescent

Figure 2 – Neighbours Property No:3 Addycombe Crescent

If you require any further details, please do contact me.

Yours faithfully

C Coe
