Dear Sir/Madam,

We are wanting to run a pop up campsite on our farm again, during August 2023. We did so last year. We will be running the campsite for 28 days 1st August till 29 August. Are we correct in still thinking that we do not require a licence for the four weeks?

We will only be accepting tents and will provide basic amenities - portaloos and access to water. Maximum of 15 pitches per night.

The campsite will be located on land at Middle White Hill, Knowesgate, Kirkwhelpington, NE 19 2SJ. The campsite will be located in a field opposite the farm entrance, grid reference NY 99173 85830. Please see enclosed map of campsite.

If you require any further information please let us know.

Kevin and Frances Robson
