Subject: GCN LICL confirmation of site registration: GCN1RC013-353A, Matthew Oakley, Blotts Barn

CAUTION: This email originated from outside the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Dear Mr Matthew Oakley (GCN1RC013),

Thank you for submitting your site registration form (GCN1RC013-353A) for Blotts Barn, Brooks Road, Raunds, Northamptonshire, NN9 6NS

Based on the information you have provided, Natural England is satisfied that the works fall within the remit of Class Licence WML-CL33 and that the 3 tests have been met. Please accept this email as confirmation that the site is now registered and you may commence licensed activities on site as described in your above referenced authorised site registration form and in accordance with the terms and conditions of WML-CL33.

You are permitted to capture **20** great crested newts under this site registration.

Your site registration, as per the authorised site registration form is from **1st June 2023 to 31st March 204**.

Please find attached a licence return form which you must complete and return to Natural England (GCNLowImpactCL@naturalengland.org.uk) as follows:

Interim report due by **28th November 2023**

End of licensed activities report: 4 weeks after completion of licensed activities, by **28th April 2024**

Confirmation of Natural England charges

This licence is charged at a fixed rate [REDACTED]

Natural England will send an invoice to the person named on the charged screening form within 10 working days

Regards

Natural England
