Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

Changes proposed to do away with the shared access to the South East boundary leading onto the B1078 (bildeston Road) and use the pre-existing access and driveway to the Northern boundary leading onto Wallows Lane. Advice was sought on the type of application required to deal with changes to the access and recommended that highways were approached to gain guidance.

The access to the North boundary is used on a regular basis by Moat House Farm due to the quietness of the road which leads back onto the B1078 via a junction where the speed limited has been reduced to 40 mph.

In line with the guidance given by Highways, a traffic survey was conducted which demonstrated that Wallows lane had an average speed of 13 mph. (report attached to application. This is by far a safer way to access the property which highways have verbally said they would support.

If you wish the existing condition to be changed, please state how you wish the condition to be varied

condition 2 - supply new drawings with the proposed access.

Condition 9 to be removed completely as the shared drive way won't be necessary as the new entrance will be to the north of property.
