the front south facing fascia
Existing Use Please describe the current use of the site
Ground floor shop with separate access corridor to upper residential flat
Is the site currently vacant? ○ Yes ⊙ No
Does the proposal involve any of the following? If Yes, you will need to submit an appropriate contamination assessment with your application.
Land which is known to be contaminated ○ Yes ⊙ No
Land where contamination is suspected for all or part of the site ○ Yes ⊙ No
A proposed use that would be particularly vulnerable to the presence of contamination ○ Yes ⊙ No
Materials
Does the proposed development require any materials to be used externally?

material)
Type: Walls
Existing materials and finishes: Low marble faced front retaining wall to fascia with rear extension of rendered blockwork. Main walls of coursed rubble masonry
Proposed materials and finishes: Low front retaining wall to be coursed rubble masonry. Rear extension to be coursed rubble masonry
Type: Windows
Existing materials and finishes: Existing timber framed front fascia with single glazing. Small timber casement window to rear ground floor elevation
Proposed materials and finishes: Timber framed fascia with double glazed panels. uPVC casement windows with double glazing to rear ground floor elevation
Type: Doors
Existing materials and finishes: Timber single glazed doors to front elevation with timber laylight over. Timber doors to rear elevation
Proposed materials and finishes: Double glazed timber doors and laylight to front elevation. Half glazed uPVC doors to rear elevation.
Are you supplying additional information on submitted plans, drawings or a design and access statement? Yes No
If Yes, please state references for the plans, drawings and/or design and access statement
604.B1.01 revision 04 604-DAHS
Pedestrian and Vehicle Access, Roads and Rights of Way Is a new or altered vehicular access proposed to or from the public highway?
 Yes No
Is a new or altered pedestrian access proposed to or from the public highway?
○ Yes ⊙ No
Are there any new public roads to be provided within the site?
○ Yes ⊙ No
Are there any new public rights of way to be provided within or adjacent to the site? O Yes No

○ Yes⊙ No	
Vehicle Parking Does the site have any existing vehicle/cycle parking spaces or will the proposed development add/remove any parking spaces? ○ Yes ○ No	
Trees and Hedges	
Are there trees or hedges on the proposed development site?	
○ Yes ⊙ No	
And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character? O Yes No	
If Yes to either or both of the above, you may need to provide a full tree survey, at the discretion of the local planning authority. If a tree survey is required, this and the accompanying plan should be submitted alongside the application. The local planning authority should make clear on its website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, demolition and construction - Recommendations'.

land adjacent to or near the application site?
To assist in answering this question correctly, please refer to the help text which provides guidance on determining if any important biodiversity or geological conservation features may be present or nearby; and whether they are likely to be affected by the proposals.
a) Protected and priority species
○ Yes, on the development site○ Yes, on land adjacent to or near the proposed development② No
b) Designated sites, important habitats or other biodiversity features
○ Yes, on the development site○ Yes, on land adjacent to or near the proposed development② No
c) Features of geological conservation importance
○ Yes, on the development site○ Yes, on land adjacent to or near the proposed development⊙ No
Supporting information requirements
Where a development proposal is likely to affect features of biodiversity or geological conservation interest, you will need to submit, with the application, sufficient information and assessments to allow the local planning authority to determine the proposal.
Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the local planning authority has been submitted.
Your local planning authority will be able to advise on the content of any assessments that may be required.

Pre-application Advice
Has assistance or prior advice been sought from the local authority about this application?
⊗ Yes
○ No
If Yes, please complete the following information about the advice you were given (this will help the authority to deal with this application more efficiently):
Officer name:
Title
First Name
***** REDACTED *****
Surname
***** REDACTED *****
Reference
PRE42/22/01972
Date (must be pre-application submission)
09/08/2022
Details of the pre-application advice received
In brief, to establish the principles and rationale behind the redevelopment; note the effect on the historic impact on the conservation area; and state proposals for sound and thermal insulation
Authority Employee/Member
With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff (b) an elected member
(c) related to a member of staff
(d) related to an elected member
It is an important principle of decision-making that the process is open and transparent.
For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
Do any of the above statements apply?
○ Yes⊘ No

Ownership Certificates and Agricultural Land Declaration	
Certificates under Article 14 - Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended)	
Please answer the following questions to determine which Certificate of Ownership you need to complete: A, B, C or D.	
Is the applicant the sole owner of all the land to which this application relates; and has the applicant been the sole owner for more than 21 days? Yes No	
Is any of the land to which the application relates part of an Agricultural Holding? ○ Yes ⊙ No	
Certificate Of Ownership - Certificate A	
I certify/The applicant certifies that on the day 21 days before the date of this application nobody except myself/ the applicant was the owner* of any part of the land or building to which the application relates, and that none of the land to which the application relates is, or is part of, an agricultural holding**	
* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.	
** "agricultural holding" has the meaning given by reference to the definition of "agricultural tenant" in section 65(8) of the Act.	
NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding.
