YELL 22 WSI and plan v3.pdf;

Hi Rachael,

Please find attached the latest version of the WSI, this one with the HER Number J

Thank you

Rob

Hi Rob,

Yes the HER parish code. We now use that as the event number as well though.

Best wishes,  
Rachael

Hi Rachael,

I just wanted to check that the HER number we require is the HER parish code, which has the online form and we've applied for one, rather than a HER event number which I believe is something different.

Thank you

Rob

Hi Rachael,

No problem at all, I've made those changes, and we've applied for an HER site code. Do you want me to send you an updated wsi when we get the HER code?

Rob

---

Hi Robert,  
Thanks for this WSI which is generally fine.

I just have a few minor comments:

- An HER site code will need to be obtained prior to work commencing
- 6. A draŌ report will need to be issued to SCCAS for review and comment please before a final copy is issued
- 7. Provision should also be made to provide the HER with a georeferenced copy of the digital survey data

Best wishes,  
Rachael

Please find aŒached our proposed WSI for a geophysical survey on land off Leys Lane, Yaxley. I hope it is suitable, please let me know if you need any changes made.
