Subject: FW: MSDC Planning Consultation Request - DC/23/02527 - FUL

Good morning,

Thank you for consulting us, we had seen the original withdrawn 2022 consultation on the planning lists and had no archaeological requirements. Looking at the 2023 consultation, the proposed plans look similar and as such in our opinion there would be no significant impact on known archaeological sites or areas with archaeological potential. We have no objection to the development and do not believe any archaeological mitigation is required.

Best regards

Lisa
