Comments

Dear Alicia,

At its meeting on 23rd May 2023, North Mundham Parish Council resolved to make no objection to this application. However it was agreed to raise concern that no real evidence had been submitted substantiating the increase in traffic since the original application which local residents have already noticed, and who have expressed concern about the further consequential increase to which the application makes no specific reference to. This traffic loading (eg supplier delivery trucks) on the small single track access road should be properly considered.

Kind regards,

Louise Chater PSLCC

Clerk

North Mundham Parish Council
