[View more details on Use Classes.](#)

Description of Existing Use, Building Works or Activity

Please fully describe each existing use, building works or activity for which you want the lawful development certificate. Where appropriate, show to which part of the land each use, building works or activity relates

Springfield Farmhouse has been occupied by the applicant, a Chartered Accountant, since 2nd March 2013. A lawful development certificate is required to remove the agricultural occupation condition put on the property when planning was granted (1974/75) as the occupant, having no agricultural occupation, has been living there for over the 10 years in breach of the condition.

Please state why a Lawful Development Certificate should be granted

The property is subject to an Agricultural occupancy condition that has been breached continuously for more than 10 years.
The occupants have never been employed in agriculture or forestry.
There has been no enforcement action by any planning authority in the past years.
On the balance of probability, the breach has continuously occurred for at least the last ten years, therefore can justify a certificate.
