| Why do you consider that a Lawful Development Certificate should be granted for this proposal?   |  |  |  |  |
| The applicant own and operate the Harrogate South WWTW for reasons required by its role as a statutory water undertaker. The Proposed Development comprises plant and machinery in its entirety and is within Operational Land associated with that undertaking (as defined by S.263 of the Town & Country Planning Act 1990) and will be used to provide power direct to the WWTW to assist the Applicant in carrying out their statutory duty as a water undertaker.  The proposed underground cabling is granted planning permission automatically by the GPDO in accordance with the GPDO Schedule 2 Part 13 Class B part (f). It is therefore considered that the Proposed Development complies with Part 13, Class B (f) of schedule 2 of the GDPO and should be considered permitted development. |  |  |  |  |
