Non Material Amendment(s) Sought

Non-material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

Changes to external finishes - amendments to where cladding will be installed as shown on attached elevations.

Replacing dormer in bathroom to a rooflight on front elevation.

Please state why you wish to make this amendment

Both changes have come about during construction. The changes to the cladding is to save costs and enable the cladding and render joint to meet where the timber framed first floor finishes.

The change to the dormer window is a practical one as the dormer would clash with the valley of the raised roof of the original bungalow. A rooflight will avoid any complications.

No

If yes, please complete the following details

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
