[THIS IS AN EXTERNAL EMAIL]

Dear Mr Halliday,

We would like to reduce the crown of T5 by 5meters . Sorry for the delay but we got our tree man to come in and advise on this only yesterday.

Also, I acknowledge that the trees T7, G18, T12 and T16 were not under TPOs and therefore were in the wrong application section. Also, as these trees are either dead or considered dangerous they fall under a category where work is permitted.

Kind regards,
Elyse Maidment.

Good morning,

I'm writing to follow up on the invalid letter that was sent on 22/05/2023. Since the deadline that was set of 14 days passes today, are you close to having the information ready that I need to validate the application?

As a reminder of what is required:

1. The length in metres by which you wish to reduce the crown of T5
2. Additionally can you acknowledge the reasons for which I have removed trees T7, G18, T12 and T16. Details given on original invalid letter.

If you have any questions or queries please let me know, if I do not hear back by Wednesday 7th June I will be returning the application for you to reapply when all the necessary information has been collected.

Kind regards,
Tom.
