Description Please describe details of the proposed development or works including any change of use The application is for an extension to the existing park that was approved under planning application 18/00706/FUL. The approved car park provided 29 spaces. Because of financial constraints the car park was only partly constructed. The partly constructed car park provides 22 spaces. The application is to extend the car park to 41 spaces an increase in provision of 12 spaces from the original approved car park. The additional spaces are required because of the loss of spaces on adjacent land that now forms part of a housing development coupled with an increased demand generated by increased staff numbers and increased frequency of family and proffesional visitors. The design includes for the formation of mounds to scren the car park. Lighting columns will utilise the same fittings that have previously been installed. These are designed to have

Authority Employee/Member
With respect to the Authority, is the applicant and/or agent one of the following: (a) a member of staff (b) an elected member
(c) related to a member of staff (d) related to an elected member
It is an important principle of decision-making that the process is open and transparent.
For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
Do any of the above statements apply?
