

Please treat this as a s211 notice for the crown reduction of a tree (species not identified) by up to 30% in the front garden of 1 Red Lion Cottages, Great Sampford.

Hello again, thank you so much for your phone call , as discussed I am seeking permission to prune a non protected tree in my garden .

You suggested 30% & asked me to put this in an email to you.

I will fill in the correct forms for the second tree which is a protected tree & submit it to Uttlesford council, thank you again for all your help, it's much appreciated.
