8 Russell Road,
Ipswich,
Suffolk,
IP1 2BX

Dear Summer,

**Hintlesham: Land between Belfry Cottage and Pear Tree Cottage, North of
George Street – developer contributions**

I refer to the proposal: Full Planning Application - Erection of 3No two-storey dwellings and 2No single-storey dwellings, ancillary outbuildings, change of use of land and new vehicular access (previously approved under DC/20/00351).

As this is below our corporate threshold of 10 dwellings no infrastructure assessment is carried out and I have no comments to make on this application but have copied in service colleagues who might have comments.

Yours sincerely,

Laura Harrad
Planning Officer
Growth, Highways, & Infrastructure Directorate
