| Description of Drawcood Works  |
| Description of Proposed Works  |
| Please describe the proposals to alter, extend or demolish the listed building(s)  |
| The proposed works are to remove the existing window within the front porch extension along the North/ West elevation and replace this with a timber door leading into the garden. The external door will be 838mm wide with a structural opening width of 932mm and a height of 2100mm. |
|  |
| The door will have a small portion of glazing on the top half and a cat flap at the base as can be seen within the supporting documents.   |

| Type:  |
| External doors   |
| Existing materials and finishes:  The existing door into the front porch extension is timber painted with a small panel of glazing at the top. The structural opening is 838mm and the door is 762mm in width.   |
| Proposed materials and finishes:   |
| The proposed external door will be 838mm wide with a structural opening width of 932mm and a height of 2100mm. The door will have a small portion of glazing on the top half to match the existing and a cat flap at the base as can be seen within the supporting documents. The design of the proposed door has been influenced by the existing front door into the front porch extension along the existing South/ West facing elevation. As mentioned above, to reflect this, the proposed door will be timber, painted to match and have a small portion of glazing along the top half. |
| Type: External walls   |
| Existing materials and finishes:   |
| The front porch extension of the property is finished in green painted shiplap weatherboarding.  |
| Proposed materials and finishes:  The existing window of this porch along the north/ west facing elevation is to be removed and a timber door is to be installed. The wall is to be infilled and made good to match existing as required.  |
