To whom it may concern,

We wish to commence the work approved on the above Listed building consent and therefore require conditions 3 and 4 discharged.

Condition 3 - new featheredge weatherboarding (in white)

**White Painted Exterior Timber  
Featheredge Cladding 22x175mm-  
4.8mtr (3m2 bundle 4 pieces)**

#### Condition 4 - new lime rendering

This is to be finished in “best of lime” Limecote <https://bestoflime.co.uk/product/limecote/> with a geometric pattern that matches the current pattern of the property and therefore kept the same in appearances which from historic pictures is as it has always been. A picture of the property and previous work of the plasterer we have planned for the work can be seen below and is the pattern we wish to have.

We do hope this is acceptable and we look forward to hearing from you,

Kind regards,

Sophie Goodman.
