Dear Sir/Madam,

**THE OLD SWAN, THE STREET, WICKHAM SKEITH, IP2 8LP
REMEDIAL WORK FOLLOWING VEHICLE DAMAGE TO THE OLD LYCHGATE
AND ADJACENT WALL**

You will be aware the previous application has been withdrawn. We act for the property owner and will be carrying out the remedial work by our company Houchell Ltd. Plans are attached together with the Heritage Assessment Report.

You may not be aware that the previous (now damaged) lychgate and wall appear to be relatively modern as LBC commons were used to build the wall and not traditional soft red bricks.

Please do not hesitate to contact us if you have any questions or issues.

Yours faithfully,

DAVID HOUCHELL
