The attached revised plans would appear appropriate now. I would request manufacturer's details of the proposed plain tiles for the canopy, unless all or the majority of the previous ones were salvaged and would be reused.

The works would require Listed Building Consent, which would have no fee.

I believe on the previous proposal the advice from the Planning Department was that the works would not require Planning Permission

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

(a) a member of staff

(b) an elected member

(c) related to a member of staff

(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

No
