Please describe the current use of the site
From the late 1980's until 2020, some 40 years, the building was derelict, abandoned and unoccupied. The building was in a very poor condition and fabric repair works have been undertaken since 2020 to stabilise the building. The building is not occupied at present. The last use of the building was a hot food takeaway that operated as such from 1960s-1980s. The use before this and the original use of the building was a residential dwelling. We understand the building was constructed in 1930s for a locally known respectable spinster.
