Is the proposed operation or use

- Permanent
 Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The application description is 'Use of the land for siting a mobile home for use ancillary to the main dwelling'.

The proposed mobile home meets the definition of a caravan as set out in the Caravan Sites Act 1968, and as amended in October 2006 (CSA).'

Please see the supplementary information document for further information.

Stationing of a mobile home within the residential curtilage of a dwelling house, for purposes ancillary to the main use of the host dwelling house, does not constitute development nor result in a material change of use within the meaning of Section 55 of the Town and Country Planning Act 1990 (as amended) and therefore does not require planning permission.

Can the site be seen from a public road, public footpath, bridleway or other public land?

- Yes
 No

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Yes

No
