PLANNING PERMISSION

TOWN AND COUNTRY PLANNING ACT 1990
THE TOWN AND COUNTRY PLANNING (DEVELOPMENT MANAGEMENT PROCEDURE) (ENGLAND)
ORDER 2015

Correspondence Address:

Mr Martin Last
Unit 3
Lower Brook Mews
Lower Brook Street
Ipswich
Suffolk
IP4 1RA

Applicant:

Mr Andrew M Hiskey
C/O Agent

Date Application Received: 15-Mar-21

Application Reference: DC/21/01560

Date Registered: 22-Mar-21

Proposal & Location of Development:

Planning Application - Erection of 1 No single storey dwelling with detached double car port and store.

Land Adjoining Shiralee, With Access From Main Road, Somersham, Ipswich Suffolk IP8 4PH

Section A – Plans & Documents:

This decision refers to drawing no./entitled 5683 1 received 15/03/2021 as the defined red line plan with the site shown edged red. Any other drawing showing land edged red whether as part of another document or as a separate plan/drawing has not been accepted or treated as the defined application site for the purposes of this decision.

The plans and documents recorded below are those upon which this decision has been reached:

Defined Red Line Plan 5683 1 - Received 15/03/2021
Proposed Plans and Elevations 5683 7 A - Received 15/03/2021
Land Contamination Assessment - Received 22/03/2021

Section B:

Mid Suffolk District Council as Local Planning Authority, hereby give notice that **PLANNING PERMISSION HAS BEEN GRANTED** in accordance with the application particulars and plans listed in section A subject to the following conditions:

1. ACTION REQUIRED IN ACCORDANCE WITH A SPECIFIC TIMETABLE:
COMMENCEMENT TIME LIMIT

The development hereby permitted shall be begun not later than the expiration of three years from the date of this permission.

Reason - To comply with the requirements of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004

2. APPROVED PLANS & DOCUMENTS

The development hereby permitted shall be carried out in accordance with the drawings/documents listed under Section A above and/or such other drawings/documents as may be approved by the Local Planning Authority in writing pursuant to other conditions of this permission or such drawings/documents as may subsequently be approved in writing by the Local Planning Authority as a non-material amendment following an application in that regard. Such development hereby permitted shall be carried out in accordance with any Phasing Plan approved under Section A, or as necessary in accordance with any successive Phasing Plan as may subsequently be approved in writing by the Local Planning Authority prior to the commencement of development pursuant to this condition.

Reason - For the avoidance of doubt and in the interests of proper phased planning of the development.

3. ACTION REQUIRED PRIOR TO THE COMMENCEMENT OF DEVELOPMENT:
CONSTRUCTION MANAGEMENT TO BE AGREED

Prior to the commencement of development details of the construction methodology shall be submitted to and approved in writing by the Local Planning Authority and shall incorporate the following information:-

- a) Details of the hours of work/construction of the development within which such operations shall take place and the hours within which delivery/collection of materials for the said construction shall take place at the site.
- b) Details of the storage of construction materials on site, including details of their siting and maximum storage height.
- c) Details of how construction and worker traffic and parking shall be managed.
- d) Details of any protection measures for footpaths surrounding the site.
- e) Details of any means of access to the site during construction.
- f) Details of the scheduled timing/phasing of development for the overall construction period.
- g) Details of any wheel washing to be undertaken, management and location it is intended to take place.
- h) Details of the siting of any on site compounds and portaloos.

The construction shall at all times be undertaken in accordance with the agreed methodology approved in writing by the Local Planning Authority.

Reason - To minimise detriment to nearby residential and general amenity by controlling the construction process to achieve the approved development. This condition is required to be agreed prior to the commencement of any development as any construction

process, including site preparation, by reason of the location and scale of development may result adverse harm on amenity.

4. SPECIFIC RESTRICTION ON DEVELOPMENT: NO BURNING

At no point before or during the construction phase shall any burning take place on site.

Reason: In the interests of protecting nearby residential amenity.

5. ACTION REQUIRED IN ACCORDANCE WITH A SPECIFIC TIMETABLE: REMEDIATION OF ACCESS

Prior to the commencement of development, photographs of the access and driveway to be used by the hereby approved dwelling as shown on plan no. 5683 1 shall be submitted to the Local Planning Authority for their records. Within one month of the completion of the development, the access and driveway as shown on plan no. 5683 1 will be remediated back to its condition prior to construction as evidenced by the photographs previously submitted.

Reason: To remediate any damage to the access route arising from the construction of the dwelling.

6. ACTION REQUIRED IN ACCORDANCE WITH A SPECIFIC TIMETABLE: PARKING AND MANOEUVRING

Prior to first occupation the area(s) within the site shown on Drawing No. 7 Rev. A for the purposes of manoeuvring and parking of vehicles shall be provided in its entirety. That area(s) shall then be retained and used for no other purposes.

Reason: To ensure that sufficient space for the on-site parking of vehicles is provided and maintained in order to ensure the provision of adequate on-site space for the parking and manoeuvring of vehicles where on-street parking and manoeuvring would be detrimental to highway safety to users of the highway.

7. ACTION REQUIRED IN ACCORDANCE WITH A SPECIFIC TIMETABLE: BIN PRESENTATION AND STORAGE

Prior to first occupation details of the areas to be provided for storage and presentation of Refuse/Recycling bins shall be submitted to and approved in writing by the Local Planning Authority. The approved scheme shall be implemented in its entirety prior to first occupation and shall then be retained thereafter for no other purpose.

Reason: To ensure that refuse recycling bins are not stored on the highway causing obstruction and dangers for other users.

SUMMARY OF POLICIES WHICH ARE RELEVANT TO THE DECISION:

CS05 - Mid Suffolk's Environment
SB02 - Development appropriate to its setting
GP01 - Design and layout of development
H13 - Design and layout of housing development
H15 - Development to reflect local characteristics

H16 - Protecting existing residential amenity
CL08 - Protecting wildlife habitats
T09 - Parking Standards
T10 - Highway Considerations in Development
NPPF - National Planning Policy Framework
NPPG-National Planning Policy Guidance
FC01 - Presumption in Favour Of Sustainable Development
FC01_1 - Mid Suffolk Approach to Delivering Sustainable Development
CS01 - Settlement Hierarchy

NOTES:

1. **Statement of positive and proactive working in line with the National Planning Policy Framework (NPPF)**

The proposal has been assessed with regard to adopted development plan policies, the National Planning Policy Framework and all other material considerations. The NPPF encourages a positive and proactive approach to decision taking, delivery of sustainable development, achievement of high-quality development and working proactively to secure developments that improve the economic, social and environmental conditions of the area. While the applicant did not take advantage of the service, the Council provides a pre-application advice service prior to the submission of any application. The opportunity to discuss a proposal prior to making an application allows potential issues to be raised and addressed pro-actively at an early stage, potentially allowing the Council to make a favourable determination for a greater proportion of applications than if no such service was available.

2. **GENERAL GOOD PRACTICE MITIGATION TO AVOID ECOLOGICAL IMPACTS DURING THE CONSTRUCTION PHASE**

To avoid killing or injuring small animals which may pass through the site during the construction phase, it is best practice to ensure the following measures are implemented:

a) Trenches, pits or holes dug on site should be covered over at night. Alternatively, ramps (consisting of a rough wooden plank) or sloped/stepped trenches could be provided to allow animals to climb out unharmed;

b) materials brought to the site for the construction works should be kept off the ground on pallets to prevent small animals seeking refuge;

c) rubbish and waste should be removed off site immediately or placed in a skip, to prevent small animals using the waste as a refuge.

3. The applicant/ developer is reminded that the responsibility for safe and considerate development lies with them. It is noted that there are concerns raised over the use/ ownership of the driveway proposed to access the site and to be dug up for utilities and as such the applicant/ developer are also reminded that they will need to gain the requisite permissions from landowners prior to commencing development.

Babergh and Mid Suffolk District Councils have adopted Community Infrastructure Levy (CIL) charging which affects planning permissions granted on or after 11th April 2016 and permitted development commenced on or after 11th April 2016. If your development is for the erection of a new building, annex or extension or the change of use of a building over 100sqm in internal area or the creation of a new dwelling or holiday let of any size your development may be liable to pay CIL and you must submit relevant documents to our Infrastructure Team telling us more about your development, who will pay CIL and when the development will start. You will receive advice on the amount you have to pay and what you have to do, and you can find more information about CIL on our websites here:

[CIL in Babergh](#) and [CIL in Mid Suffolk](#) or by contacting the Infrastructure Team on: infrastructure@baberghmidsuffolk.gov.uk

This relates to document reference: DC/21/01560

Signed: Philip Isbell

Dated: 12th May 2021

**Chief Planning Officer
Sustainable Communities**

Important Notes to be read in conjunction with your Decision Notice

Please read carefully

This decision notice refers only to the decision made by the Local Planning Authority under the Town and Country Planning Acts and DOES NOT include any other consent or approval required under enactment, bylaw, order or regulation.

Please note: depending upon what conditions have been attached to the decision, action may be required on your part before you can begin your development. Planning conditions usually require that you write to the Local Planning Authority and obtain confirmation that you have discharged your obligations. You should read your decision notice in detail and make a note of the requirements placed on you by any conditions. **If you proceed with your development without complying with these conditions you may invalidate your permission and put your development at risk.**

Discharging your obligations under a condition:

You should formally apply to discharge your conditions and the relevant application forms are available on the Council's website. The Local Planning Authority has 8 weeks to write to you after you submit the details to discharge your conditions. You should always account for this time in your schedule as the Local Planning Authority cannot guarantee that conditions can be discharged quicker than this. A fee is applicable for the discharge of planning conditions.

Building Control:

You are reminded that the carrying out of building works requires approval under the Building Regulations in many cases as well as a grant of planning permission. If you are in doubt as to whether or not the work, the subject of this planning permission, requires such approval, then you are invited to contact the Building Control Section of Babergh and Mid Suffolk District Councils.

Appeals to the Secretary of State

1. If the applicant is aggrieved by the decision of the Local Planning Authority to refuse permission or consent, or to grant permission or consent subject to condition, they may appeal to the Secretary of State for Communities and Local Government. The applicant's right of appeal is in accordance with the appropriate statutory provisions which follow:

Planning Applications: Section 78 Town and Country Planning Act 1990

Listed Building Applications: Section 20 Planning (Listed Buildings and Conservation Areas) Act 1990

Advertisement Applications: Section 78 Town and Country Planning Act 1990
Regulation 15

Town and Country Planning (Control of Advertisements) Regulations 2007

Notice of appeal in the case of applications for advertisement consent must be served within eight weeks of receipt of this notice. Notice of Householder and Minor Commercial Appeals must be served within 12 weeks, in all other cases, notice of appeal must be served within six months of this notice. If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice. If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within six months of the date of this notice, whichever period expires earlier.

Appeals must be made on a form which is obtainable from The Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN or online at <https://www.gov.uk/government/publications/modelnotification-notice-to-be-sent-to-an-applicant-when-permission-is-refused>

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he/she will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him/her that permission for the proposed development could not have been granted by the Local Planning Authority, or could not have been so granted otherwise than subject to the conditions imposed by it, having regard to the statutory requirements*, to the provisions of the Development Order, and to any directions given under the Order. The Secretary of State does not in practice refuse to entertain appeals solely because the decision of the Local Planning Authority was based on a direction given by him/her.

2. If permission or consent to develop land or carry out works is refused or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State and the owner of the land claims that the land has become incapable of reasonable beneficial use by the carrying out of any development or works which has been or would be permitted they may serve on the Council of the district in which the land is situated, a purchase notice requiring the Council to purchase his interest in the land in accordance with the provisions of Section 137 of the Town and Country Planning Act 1990 or Section 32 Planning (Listed Buildings and Conservation Areas) Act 1990.

*The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70 and 72(1) of the Act.
