Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

Flood risk assessment has been undertaken (attached), which shows that by reinstating the drainage ditch that runs through the plot, the flood risk will be negligible. We have lived on the site of this development for 20 years, have seen the course of the run off water from the next door field and know that the reinstatement of the ditch will remove any risk of flooding to the property. We therefore view this condition to be unreasonable and onerous.

If you wish the existing condition to be changed, please state how you wish the condition to be varied
