Dear Eileen,

Thank you so much for your time earlier. My apologies for the confusion I caused with the plans submitted with the application.

Hopefully this email will be clearer. I have attached 2 pdf documents. One shows the existing plan of our house and one the proposed plan. The drawing scale is displayed in the bottom right hand corner of the document.

APPLICATION REFERENCE: DC/23/03105- 25 Oakey Field Road

We are requesting permission to extend our home to add an additional bedroom, and reception room as well as a utility room. This is of a similar nature to other developments completed on Oakey Field Road. To allow us to do this, we plan to demolish the existing garage on the property.

This will have no parking implications as the property has a double driveway and the garage is currently used for storage.

We would then like to build a double story extension to the side of the property and extend out slightly at the back of the property.

Plans attached.

Please let me know if there is anything further you need from us.

Again, thank you for your advice and I look forward to hearing from you.

Kind Regards  
Amelia Woozley
