Service Area	Conservation and Design (NNDC)
Reason for consultation	

Reply Date	07/07/2023
	Advice <input type="checkbox"/> No Objection <input checked="" type="checkbox"/> Support <input type="checkbox"/> Object <input type="checkbox"/>

**Advice/Comments:**

Just to confirm that there are no Conservation & Design objections to either of the two window sections that have submitted (flush and set back).

Whilst the submission does not mention the doors, in hindsight the plain boarded design of those approved limits the value of section details. Hence, providing the doors installed closely match the design of those on the approved elevations, it would be unreasonable/unnecessary to require further information.

You are therefore free to discharge the relevant condition.
