Date: 10th July 2023

Dear Sir/Madam

NOTIFICATION UNDER THE TOWN AND COUNTRY PLANNING (TREE PRESERVATION) (ENGLAND) REGULATIONS 2012 – PART 3

REFERENCE NO: 23/01756/DDCA
PROPOSAL: Remove dead Ash tree
LOCATION: Leggatts, Chalkcroft Lane, Penton Mewsey, Andover

Further to your notification received on 10th July 2023, I am able to confirm that the tree is dead. You may therefore remove the tree without further notification to, or consent from, this authority. This work is authorised under Regulation 15 (1) (a) (i) (Trees in conservation areas) of the Town and Country Planning (Tree Preservation) (England) Regulations 2012.

I would be grateful if you could email planning@testvalley.gov.uk when you know the date of the proposed felling. The legislation places a duty upon landowners to plant replacement trees for those removed under this exemption. Therefore, I would be grateful if you could confirm that you will be planting another tree, which should be of the same species as that which has been felled and planted close to the stump of the original tree unless otherwise agreed in writing with this Authority. The replacement tree should be planted at the time of felling or during the first planting season (November to April) following the felling.

Yours faithfully

Simon Finch
Head of Planning and Building Service
