### Grade II

Former farmhouse, mid C16. G-call cross-entry plan. 2 storeys. Timber-framed and plastered. Pantiled roof with a gable chimney to left; the shaft is octagonal of C19 red brick. The rear chimney of gault and red brick is also polygonal and rebuilt in C19. Mid C20 small-pane casements. Mid C20 brick porch with pantiled roof and 6-panelled door. Typical unsculpted C16 framing exposed internally: large unchamfered floor joists and tension-braced close-studding. The hall fireplace is at the rear, an unusual feature for rural mid Suffolk, with a large cambered lintel. A rear wing originally one storey high, perhaps added C17/C18.
