## **PLANNING PERMISSION**

**TOWN AND COUNTRY PLANNING ACT 1990**  
**THE TOWN AND COUNTRY PLANNING (DEVELOPMENT MANAGEMENT PROCEDURE) (ENGLAND)**  
**ORDER 2015**

---

### **Correspondence Address:**

Mr & Mrs Kevin & Amanda Nichols  
The Nook  
Priory Road  
Palgrave  
Diss  
IP22 1AJ

### **Applicant:**

Mr & Mrs Kevin & Amanda Nichols  
The Nook  
Priory Road  
Palgrave  
Diss  
IP22 1AJ

---

**Date Application Received:** 27-Feb-23

**Application Reference:** DC/23/00968

**Date Registered:** 02-Mar-23

---

### **Proposal & Location of Development:**

Householder Application - Erection of detached Games room/office and detached 3 bay Cart lodge

The Nook, Priory Road, Palgrave, Diss Suffolk IP22 1AJ

---

### **Section A – Plans & Documents:**

This decision refers to drawing no./entitled received 27/02/2023 as the defined red line plan with the site shown edged red. Any other drawing showing land edged red whether as part of another document or as a separate plan/drawing has not been accepted or treated as the defined application site for the purposes of this decision.

The plans and documents recorded below are those upon which this decision has been reached:

Block Plan - Proposed - Received 27/04/2023  
Defined Red Line Plan - Received 27/02/2023  
Elevations - Proposed 1 to 100 Games Room/Office - Received 27/02/2023  
Floor Plan - Proposed 1 to 50 Games Room/Office - Received 27/02/2023  
Elevations - Proposed Cart Lodge - Received 27/02/2023  
Floor Plan - Proposed 1 to 50 Cart Lodge - Received 02/03/2023  
Planning Statement - Received 27/02/2023

---

### **Section B:**

Mid Suffolk District Council as Local Planning Authority, hereby give notice that **PLANNING PERMISSION HAS BEEN GRANTED** in accordance with the application particulars and plans listed in section A subject to the following conditions:

1. ACTION REQUIRED IN ACCORDANCE WITH A SPECIFIC TIMETABLE: COMMENCEMENT TIME LIMIT

The development hereby permitted shall be begun not later than the expiration of three years from the date of this permission.

Reason - To comply with the requirements of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004

2. APPROVED PLANS & DOCUMENTS

The development hereby permitted shall be carried out in accordance with the drawings/documents listed under Section A above and/or such other drawings/documents as may be approved by the Local Planning Authority in writing pursuant to other conditions of this permission or such drawings/documents as may subsequently be approved in writing by the Local Planning Authority as a non-material amendment following an application in that regard. Such development hereby permitted shall be carried out in accordance with any Phasing Plan approved under Section A, or as necessary in accordance with any successive Phasing Plan as may subsequently be approved in writing by the Local Planning Authority prior to the commencement of development pursuant to this condition.

Reason - For the avoidance of doubt and in the interests of proper phased planning of the development.

3. ACTION REQUIRED PRIOR TO WORKS ABOVE SLAB LEVEL: MATERIALS TO BE AGREED

No external facing or roofing materials shall be used in the construction of the development hereby permitted until precise details of the manufacturer, types and colours of these have been submitted to and approved, in writing, by the Local Planning Authority. Such materials as may be approved shall be those used in the development.

Reason: In order to ensure that suitable materials are used on the development as there are insufficient details within the submitted planning application.

4. RESTRICTION ON USE: OUTBUILDINGS TO BE UTILISED INCIDENTALLY TO THE NOOK

The development hereby permitted shall not be occupied or used at any time other than for purposes incidental to the residential use of the dwelling known as The Nook.

Reason: For the avoidance of doubt as to the scope of the permission as this is the basis on which the application has been considered and any other use would need to be given further consideration at such a time as it were to be proposed.

5. ACTION REQUIRED PRIOR TO COMMENCEMENT: CONSTRUCTION METHOD STATEMENT TO BE AGREED

No works shall take place, including any demolition, until a Construction Method Statement has been submitted to and approved, in writing, by the Local Planning Authority.

The approved Statement shall be adhered to throughout the construction period and shall provide details for:

- a) the parking of vehicles of site operatives and visitors;
- b) hours of deliveries and hours of work;
- c) loading and unloading of plant and materials;
- d) storage of plant and materials used in constructing the development;
- e) the erection and maintenance of security hoarding including decorative displays and facilities for public viewing, where appropriate;
- f) wheel washing facilities;
- g) measures to control the emission of dust and dirt during construction; and
- h) a scheme for recycling/disposing of waste resulting from construction works.

Reason: In order to ensure that the construction takes place in a suitable manner and to ensure that amenities of existing residents are protected as far as reasonable.

6. ACTION REQUIRED PRIOR TO COMMENCEMENT: SUBMISSION OF A PRECAUTIONARY METHOD STATEMENT

No development shall take place including any ground works or site clearance) until a precautionary method statement for Gt crested newts has been submitted to and approved in writing by the local planning authority. The content of the method statement shall include:

- a) purpose and objectives for the proposed works;
- b) detailed design(s) and/or working method(s) necessary to achieve stated objectives (including, where relevant, type and source of materials to be used);
- c) extent and location of proposed works shown on appropriate scale maps and plans;
- d) timetable for implementation, demonstrating that works are aligned with the proposed phasing of construction;
- e) persons responsible for implementing the works;
- f) initial aftercare and long-term maintenance (where relevant);
- g) disposal of any wastes arising from works.

The works shall be carried out strictly in accordance with the approved details after the approval of the method statement.

Reason: To allow the LPA to discharge its duties under the Wildlife & Countryside Act 1981 as amended and s40 of the NERC Act 2006 (Priority habitats & species)

7. ACTION REQUIRED PRIOR TO WORKS ABOVE SLAB LEVEL: SITE LEVELS TO BE AGREED

No works above slab level shall take place until detailed scale drawings by cross section and elevation that show the development in relation to adjacent property, and illustrating the existing and proposed levels of the site, finished floor levels and identifying all areas of cut or fill, have been submitted to and agreed, in writing, by the Local Planning Authority.

The development shall thereafter be completed in accordance with the agreed scheme before the development is first occupied.

Reason: In order to allow more detailed consideration of any changes in site levels where it is possible that these may be uncertain and open to interpretation at present and where there is scope that any difference in such interpretation could have an adverse impact of the surrounding area.

8. RESTRICTION ON USE: PARKING FOR THE NOOK

The garage forming part of the development shall be retained for the parking of motor vehicles associated with the dwelling identified as The Nook only and shall not be adapted to be used for any other purpose, including other uses ancillary to the residential use, unless otherwise subsequently approved, in writing, by the Local Planning Authority.

Reason: To retain adequate on-site parking provision in the interest of highway safety

9. RESTRICTION ON DEVELOPMENT: NO BURNING ON SITE

No burning or storage of materials shall take place where damage could be caused to any tree, shrub or other natural feature to be retained on the site or on adjoining land (see BS 5837).

Reason: To protect the health of trees, shrubs and other natural features to be retained in the interest of amenity.

10. ACTION REQUIRED PRIOR TO OCCUPATION: BIODIVERSITY ENHANCEMENT STRATEGY

A Biodiversity Enhancement Strategy for Protected and Priority species shall be submitted to and approved in writing by the local planning authority prior to occupation of the outbuildings hereby approved.

The content of the Biodiversity Enhancement Strategy shall include the following:

- a) Purpose and conservation objectives for the proposed enhancement measures;
- b) detailed designs to achieve stated objectives;
- c) locations of proposed enhancement measures by appropriate maps and plans;
- d) persons responsible for implementing the enhancement measures;
- e) details of initial aftercare and long-term maintenance (where relevant).

The works shall be implemented in accordance with the approved details and shall be retained in that manner thereafter.

Reason: To conserve and enhance protected and Priority species and allow the LPA to discharge its duties under the Conservation of Habitats and Species Regulations 2017 (as amended), the Wildlife & Countryside Act 1981 as amended and s40 of the NERC Act 2006 (Priority habitats & species).

**SUMMARY OF POLICIES WHICH ARE RELEVANT TO THE DECISION:**

NPPF - National Planning Policy Framework

NPPG-National Planning Policy Guidance  
CS01 - Settlement Hierarchy  
T10 - Highway Considerations in Development  
CS05 - Mid Suffolk's Environment  
GP01 - Design and layout of development  
H03 - Housing development in villages  
H15 - Development to reflect local characteristics  
H16 - Protecting existing residential amenity  
H17 - Keeping residential development away from pollution  
CL08 - Protecting wildlife habitats  
CL06 - Tree preservation orders  
T09 - Parking Standards  
SP03 - The sustainable location of new development  
LP02 - Residential Annexes  
LP23 - Sustainable Construction and Design  
LP24 - Design and Residential Amenity  
LP29 - Safe, Sustainable and Active Transport

## NOTES:

1. **Statement of positive and proactive working in line with the National Planning Policy Framework (NPPF)**

The proposal has been assessed with regard to adopted development plan policies, the National Planning Policy Framework and all other material considerations. The NPPF encourages a positive and proactive approach to decision taking, delivery of sustainable development, achievement of high quality development and working proactively to secure developments that improve the economic, social and environmental conditions of the area. While the applicant did not take advantage of the service, the Council provides a pre-application advice service prior to the submission of any application. The opportunity to discuss a proposal prior to making an application allows potential issues to be raised and addressed pro-actively at an early stage, potentially allowing the Council to make a favourable determination for a greater proportion of applications than if no such service was available.

2. Environmental Health at the District Councils should be contacted in the event of unexpected ground conditions / contamination being encountered during construction. The developer should be aware that the responsibility for the safe development of the site lies with them at all times.

3. 

- o Any works to a watercourse may require consent under section 23 of the Land Drainage Act 1991
- o Any discharge to a watercourse or groundwater needs to comply with the Water Environment (Water Framework Directive) (England and Wales) Regulations 2017
- o Any discharge of surface water to a watercourse that drains into an Internal Drainage Board district catchment is subject to payment of a surface water developer contribution
- o Any works to lay new surface water drainage pipes underneath the public highway will need a licence under section 50 of the New Roads and Street Works Act
- o Any works to a main river may require an environmental permit

4. It should be noted that planning permission cannot equate to the right to access a site, especially if said easements are not currently in place. An easement can only be given by the land-owner and the applicant is reminded that they should ensure that any access to the site is undertaken in full accordance with the access rights that they currently enjoy.

Babergh and Mid Suffolk District Councils have adopted Community Infrastructure Levy (CIL) charging which affects planning permissions granted on or after 11th April 2016 and permitted development commenced on or after 11th April 2016. If your development is for the erection of a new building, annex or extension or the change of use of a building over 100sqm in internal area or the creation of a new dwelling or holiday let of any size your development may be liable to pay CIL and you must submit relevant documents to our Infrastructure Team telling us more about your development, who will pay CIL and when the development will start. You will receive advice on the amount you have to pay and what you have to do and you can find more information about CIL on our websites here:

[CIL in Babergh](#) and [CIL in Mid Suffolk](#) or by contacting the Infrastructure Team on: [infrastructure@baberghmidsuffolk.gov.uk](mailto:infrastructure@baberghmidsuffolk.gov.uk)

This relates to document reference: DC/23/00968

**Signed: Philip Isbell**

**Dated: 7th July 2023**

**Chief Planning Officer  
Sustainable Communities**

## **Important Notes to be read in conjunction with your Decision Notice**

### **Please read carefully**

This decision notice refers only to the decision made by the Local Planning Authority under the Town and Country Planning Acts and DOES NOT include any other consent or approval required under enactment, bylaw, order or regulation.

**Please note: depending upon what conditions have been attached to the decision, action may be required on your part before you can begin your development.** Planning conditions usually require that you write to the Local Planning Authority and obtain confirmation that you have discharged your obligations. You should read your decision notice in detail and make a note of the requirements placed on you by any conditions. **If you proceed with your development without complying with these conditions you may invalidate your permission and put your development at risk.**

### **Discharging your obligations under a condition:**

You should formally apply to discharge your conditions and the relevant application forms are available on the Council's website. The Local Planning Authority has 8 weeks to write to you after you submit the details to discharge your conditions. You should always account for this time in your schedule as the Local Planning Authority cannot guarantee that conditions can be discharged quicker than this. A fee is applicable for the discharge of planning conditions.

### **Building Control:**

You are reminded that the carrying out of building works requires approval under the Building Regulations in many cases as well as a grant of planning permission. If you are in doubt as to whether or not the work, the subject of this planning permission, requires such approval, then you are invited to contact the Building Control Section of Babergh and Mid Suffolk District Councils.

## Appeals to the Secretary of State

1. If the applicant is aggrieved by the decision of the Local Planning Authority to refuse permission or consent, or to grant permission or consent subject to condition, they may appeal to the Secretary of State for Communities and Local Government. The applicant's right of appeal is in accordance with the appropriate statutory provisions which follow:

Planning Applications: Section 78 Town and Country Planning Act 1990

Listed Building Applications: Section 20 Planning (Listed Buildings and Conservation Areas) Act 1990

Advertisement Applications: Section 78 Town and Country Planning Act 1990  
Regulation 15

Town and Country Planning (Control of Advertisements) Regulations 2007

Notice of appeal in the case of applications for advertisement consent must be served within eight weeks of receipt of this notice. Notice of Householder and Minor Commercial Appeals must be served within 12 weeks, in all other cases, notice of appeal must be served within six months of this notice. If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice. If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within six months of the date of this notice, whichever period expires earlier.

Appeals must be made on a form which is obtainable from The Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN or online at <https://www.gov.uk/appeal-householder-planning-decision>.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he/she will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him/her that permission for the proposed development could not have been granted by the Local Planning Authority, or could not have been so granted otherwise than subject to the conditions imposed by it, having regard to the statutory requirements\*, to the provisions of the Development Order, and to any directions given under the Order. The Secretary of State does not in practice refuse to entertain appeals solely because the decision of the Local Planning Authority was based on a direction given by him/her.

2. If permission or consent to develop land or carry out works is refused or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State and the owner of the land claims that the land has become incapable of reasonable beneficial use by the carrying out of any development or works which has been or would be permitted they may serve on the Council of the district in which the land is situated, a purchase notice requiring the Council to purchase his interest in the land in accordance with the provisions of Section 137 of the Town and Country Planning Act 1990 or Section 32 Planning (Listed Buildings and Conservation Areas) Act 1990.

\*The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70 and 72(1) of the Act.
